Choose the Wakefield floor plan, and you'll always enjoy a stunning view. You'll love the beautiful living room, with its dramatic second-floor balcony. The Wakefield may be modest, but it feels grand with its stylish features. It has a first-floor owner's suite, which includes a large walk-in closet and an elegant bath.

On the first floor, you'll also find a laundry room and a powder room, both close to the kitchen. This layout helps save time and steps for busy homeowners. The Wakefield makes entertaining easy. The layout flows smoothly between the living room, dining room, and kitchen.

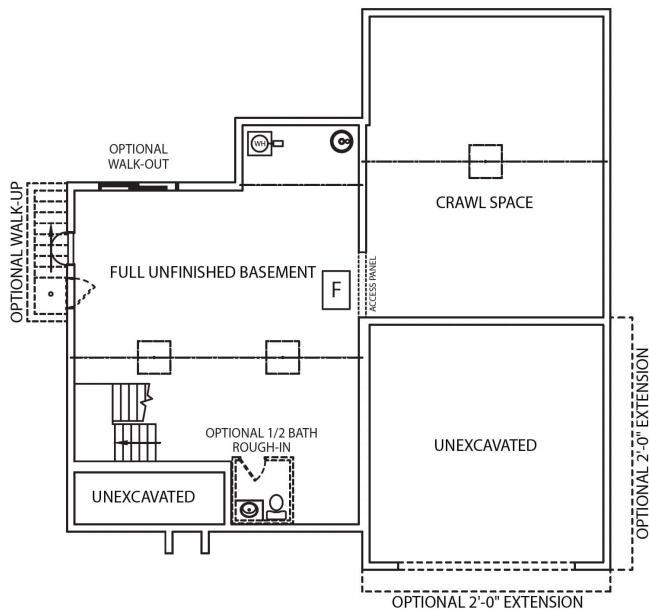

Both upstairs bedrooms have walk-in closets. Plus, there's a large bonus room you can use however you like. The Wakefield also offers great exterior charm and a spacious, practical interior. There are many reasons to choose the Wakefield!
